

Hand-Held Lubricants

Accu-Lube®

Environmentally Safe, Non-Toxic, Hand-Held Lubricants

Accu-Lube hand-held products put the convenience and high quality performance of the finest organic cutting lubricants at your fingertips. All Accu-Lube products are environmentally safe, non-toxic and can clean up easily with soap and water.

▼ Accu-Lube Stick Lubricants

Reduces heat build-up in belt, disc or wheel grinding operations. Apply the ready-to-use stick to the tool before start-up.

Available in	Part #
2.2 Ounce Push-up stick (24/case)	79042
13 Ounce Tube (24/case)	79045

▼ #10 Perfect Tapping Oil

Recommended for tapping operations on all metals.

Its thickness allows the tap to cut several holes before recoating is required.

Available in	Part #
8 Ounce Bottle (16/case)	7583
1 Gallon	7584

▼ Accu-Lube Pump Spray

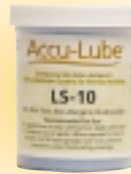

The Accu-Lube pump spray is the ideal choice for drilling, tapping and reaming.

The precision nozzle allows you to apply lubrication only where needed.

Available in	Part #
8 Ounce Pump Spray (16/case)	79026

▼ Accu-Lube LS-10 Paste

Paste Form for application on any cutting tool.

Apply LS-10 with a brush or immerse tool in the paste.

Available in	Part #
8 Ounce Bottle (16/case)	76030

▼ Accu-Lube Paste

This is the industry standard for horizontal applications.

Brush it on for tapping, reaming or drilling.

Available in	Part #
8 Ounce Jar (16/case)	79030

▼ Accu-Lube Blocks

The individually packaged Accu-Lube blocks make grinding operations hassle-free. Lubrication is as simple as making an "X" on belts or discs.

Available in	Part #
2.6 ounce Solid Block (120/case)	79037
