

Reduces costs by increasing coolant life

SC3000 COALESCER

Cleans coolant by removing floating & entrained tramp oil. The efficient, portable SC3000 cleans & aerates up to 10 machines with no downtime.

FEATURES:

- ✓ Cleans 80% of sump sizes in 3-4 hours
- ✓ Pneumatic diaphragm pump
- ✓ Heavy-duty powder-coated steel frame & wheel base with handle
- ✓ Specially engineered float assembly with quick disconnect fittings
- ✓ Durable polyethylene tank won't warp or leak
- ✓ Quick disconnect hose fittings for easy movement between machines
- ✓ One Year Limited Warranty

BENEFITS:

- ✓ Extends coolant life
- ✓ Removes tramp oil
- ✓ Minimal maintenance
- ✓ Portable & easy to maneuver
- ✓ Cleans 5-10 machines
- ✓ Easy to empty & clean
