

## ULTRACUT Aero

NEW POWER FULL Coolant for **ALUMINUM & TITANIUM**

# ULTRACUT Aero

*Designed to meet the rigorous standards of the **AEROSPACE** Industry*

**ULTRACUT Aero** is a premium chlorine free water-soluble oil with maximum bioresistance specifically designed for the aerospace industry. This coolant is formulated with non-chlorinated extreme pressure additives and boundary lubricants for heavy-duty machining of ferrous/nonferrous metals, aluminum and titanium.

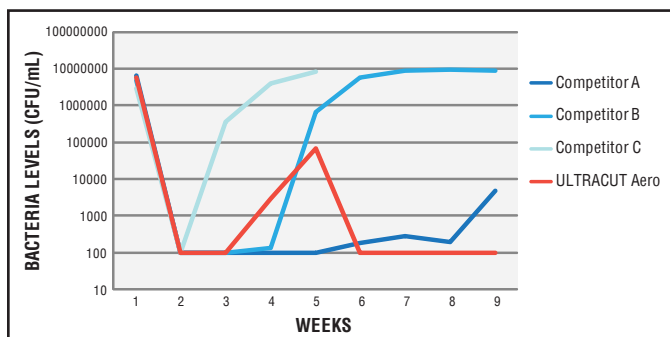

**ULTRACUT Aero** is the coolant of choice for machining the most challenging alloys like aluminum, titanium, stainless steel and Inconel.

### Benefits

- ➔ Minimal maintenance
- ➔ Maximum performance
- ➔ Aerospace specific
- ➔ Increased coolant life
- ➔ Improved surface finishes
- ➔ Excellent on aluminum and titanium

### ULTRACUT Aero Bacteria Control Comparison

### Product Specifications

Product	ULTRACUT Aero
Concentrate Color	Light brown
Dilute Color	Milky white
pH (at 10%)	9.3
Specific Gravity	0.97
Flash Point	220°F (104°C)
Chlorine	NONE
Mineral Oil	40%
Part # 5 gal	74405
Part # 55 gal	74455

*Independent lab studies show ULTRACUT Aero outperforms leading competitors in bacteria control.*
